PART II – REGULATIONS

1. Subject to the provisions of this Bylaw, each *Participating Municipality* will permit a *TNS Business* that has obtained an *Inter-municipal TNS Business Licence* to carry on the *Business* of providing *Transportation Network Services* within that *Participating Municipality* for the term authorized by the *Inter-municipal TNS Business Licence* without obtaining a *Municipal Business Licence* for the *TNS Business* in that *Participating Municipality*.
2. All *Inter-municipal TNS Business Licences* will be issued by the City of Vancouver.
3. The City of Vancouver may issue an *Inter-municipal TNS Business Licence* to a *TNS Business* if the *TNS Business* is an *Inter-municipal TNS Business* and meets

the requirements of this Bylaw, in addition to the requirements of the City of Vancouver's License Bylaw No. 4450.

4. Notwithstanding that a *TNS Business* may hold an *Inter-municipal TNS Business Licence* that would make it unnecessary to obtain a *Municipal Business Licence* for the *TNS Business* in the *Participating Municipalities*, the *TNS Business* must still comply with all orders and regulations under any municipal business licence bylaw in addition to those under any other bylaws, regulations, or provincial or federal laws that may apply within any jurisdiction in which the *TNS Business* carries on *Business*.
5. Any *Participating Municipality* may require that the holder of an *Inter-municipal TNS Business Licence* also obtain a *Municipal Business Licence* for any *Premises* that are maintained by the licence holder within the jurisdiction of the *Participating Municipality*.
6. The annual *Inter-municipal TNS Business Licence* fee is \$155, plus \$150 for each vehicle operating under the authority of the *Inter-municipal TNS Business*, except that the per vehicle fee for *Zero Emission Vehicles* will be \$30, and there will be no per vehicle fee charged for *Accessible Vehicles*. Any fees paid by an applicant to any *Participating Municipality* for a *Municipal Business Licence* for the *TNS Business* prior to the availability of the *Inter-municipal TNS Business Licence* that are not refunded by that *Participating Municipality* will be credited against the initial *Inter-municipal TNS Business Licence* fee owing under this section 8.
7. The fee for any additional vehicles that begin operating under the authority of an *Inter-municipal TNS Business License* holder after the annual license fee is paid will be the per vehicle fee set out in section 8, pro-rated by dividing the applicable annual per vehicle fee by 12 and multiplying the resulting number by the number of months remaining in that calendar year, including any partial months which will be counted as whole months.
8. The length of term of an *Inter-municipal TNS Business Licence* is 12 months, except that the length of term of the initial *Inter-municipal TNS Business Licence* issued to an *Inter-municipal TNS Business* by the City of Vancouver may be less than 12 months in order to harmonize the expiry date of the *Inter-municipal TNS Business Licence* with the calendar year, in which case the annual fee will be pro-rated by dividing the applicable annual license fee by 12 and multiplying the resulting number by the number of months remaining in that calendar year, including any partial months which will be counted as whole months.
9. An *Inter-municipal TNS Business Licence* will be valid within the jurisdictional boundaries of all of the *Participating Municipalities* until its term expires, unless the *Inter-municipal TNS Business Licence* is suspended or cancelled. If a *Participating Municipality* withdraws from the *Inter-municipal TNS Business*

- Licence* scheme among the *Participating Municipalities* in accordance with this Bylaw, then the *Inter-municipal TNS Business Licence* will cease to be valid within the jurisdictional boundary of that former *Participating Municipality*.
10. A *Participating Municipality* may exercise the authority of the City of Vancouver as the issuing municipality and suspend an *Inter-municipal TNS Business Licence* in relation to conduct by the holder within the *Participating Municipality* which would give rise to the power to suspend a business licence under the *Community Charter* or *Vancouver Charter* or under the business licence bylaw of the *Participating Municipality*. The suspension will be in effect throughout all of the *Participating Municipalities* and it will be unlawful for the holder to carry on the *Business* authorized by the *Inter-municipal TNS Business Licence* in any *Participating Municipality* for the period of the suspension.
 11. A *Participating Municipality* may exercise the authority of the City of Vancouver as the issuing municipality and cancel an *Inter-municipal TNS Business Licence* in relation to conduct by the holder within the *Participating Municipality* which would give rise to the power to cancel a business licence under the *Community Charter* or *Vancouver Charter* or the business licence bylaw of the *Participating Municipality*. The cancellation will be in effect throughout all of the *Participating Municipalities*.
 12. The suspension or cancellation of an *Inter-municipal TNS Business Licence* under section 12 or 13 will not affect the authority of a *Participating Municipality* to issue a *Municipal Business Licence*, other than an *Inter-municipal TNS Business Licence*, to the holder of the suspended or cancelled *Inter-municipal TNS Business Licence*.
 13. Nothing in this Bylaw affects the authority of a *Participating Municipality* to suspend or cancel any *Municipal Business Licence* issued by that municipality or to enact regulations in respect of any category of *Business* under section 15 of the *Community Charter* or sections 272, 273, 279A, 279A.1, 279B, and 279C of the *Vancouver Charter*.
 14. A *Participating Municipality* may, by notice in writing to each of the other *Participating Municipalities*, withdraw from the *Inter-municipal TNS Business Licence* scheme among the *Participating Municipalities*, and the notice must:
 - a. set out the date on which the withdrawing municipality will no longer recognize the validity within its boundaries of *Inter-municipal TNS Business Licences*, which date must be at least 6 months from the date of the notice; and
 - b. include a certified copy of the municipal Council resolution or bylaw authorizing the municipality's withdrawal from the *Inter-municipal TNS Business Licence* scheme.

15. The invalidity or unenforceability of any provision of this Bylaw shall not affect the validity or enforceability of any other provisions of this Bylaw and any such invalid or unenforceable provision shall be deemed to be severable.
16. Despite any other provision of this Bylaw, an *Inter-municipal TNS Business Licence* granted in accordance with this Bylaw does not grant the holder a licence to operate in any jurisdiction other than within the jurisdictional boundaries of the *Participating Municipalities*.
17. A business licence granted under any other inter-municipal *TNS Business* licence scheme is deemed not to exist for the purposes of this Bylaw, even if a *Participating Municipality* is a participating member of the other inter-municipal *TNS Business* licence scheme.

Offence and Penalty

18. Every person who contravenes a provision of this bylaw is guilty of an offence and is liable on summary conviction to a fine of not less than two hundred (\$200) dollars and not more than the maximum fine provided by the Offence Act and, where the offence is a continuing one, each day that the offence is continued shall constitute a separate offence

Effective Date

19. This Bylaw shall come into force and effect as of April 1, 2020.

Severability

20. If any portion of this bylaw is declared invalid by a court of competent jurisdiction, then the invalid portion must be severed and the remainder of the bylaw is deemed invalid.
